6:21-14202 Salvador Colchado G

Chapter 13

#24.00 Hrg re motion in individual case for order imposing a stay or continuing the automatic stay

Docket 38

Tentative Ruling:

Final Ruling. The motion is untimely. Section 362(c)(3)(A) provides that the automatic stay “shall terminate with respect to the debtor on the 30th day after the filing of the later case.” *See* 11 U.S.C. § 362(c)(3)(A). In order to avoid the termination of the stay, a motion to extend the stay must be filed and it must be heard on or before the thirtieth day after the filing of the bankruptcy case. *See* 11 U.S.C. § 362(c)(3)(B) (stating that “on the motion of a party in interest for continuation of the automatic stay and upon notice and a hearing, the court may extend the stay in particular cases as to any or all creditors (subject to such conditions or limitations as the court may then impose) after notice and a hearing completed before the expiration of the 30-day period . . .”).

Accordingly, under the plain language of the statute, the hearing regarding a motion to extend the automatic stay pursuant to section 362(c)(3)(B) must occur no later than thirty days after the filing of this bankruptcy case. It is not enough to simply file the motion within the thirty day period. The hearing regarding the motion must also occur within the thirty day period. *See, e.g., In re Moon*, 339 B.R. 668, 670 (Bankr. N.D. Ohio 2006) (denying a motion to extend the stay that was filed during the thirty day period because the debtors scheduled the motion for a hearing thirty-seven days after the petition date); *In re Garrett*, 357 B.R. 128, 131 (Bankr. C.D. Ill. 2006) (“Pursuant to 11 U.S.C. § 362(c)(3)(B), the Bankruptcy Court may extend the automatic stay only after notice and a hearing completed before the expiration of the 30 day period after the filing of a second bankruptcy case within one year of the

Salvador Colchado G

Chapter 13

dismissal of a previously filed case. If the notice and hearing are not completed within this period, the automatic stay terminates by operation of law pursuant to § 362(c)(3) (A).”); *In re Norman*, 346 B.R. 181 (Bankr. N.D. W.Va. 2006) (holding that a motion to extend the automatic stay must be heard within the thirty day period); *In re Ziolkowski*, 338 B.R. 543, 546 (Bankr. D.Conn. 2006) (denying a motion to extend the stay that was filed during the thirty day period because the initial hearing regarding the motion – which was scheduled by the clerk of the court - occurred more than two months after the petition date and stating that the debtors “were the movants and it was their ultimate burden to insure that the Motion was timely scheduled.”); *Capital One Auto Fin. v. Cowley*, 374 B.R. 601, 610 (W.D. Tex. 2006) (reversing a bankruptcy court order granting a motion to extend the stay because, while the motion was filing within thirty days of the petition date, the hearing regarding the motion occurred after the thirty day period and stating that “the Court finds that § 362(c)(3) requires notice and a hearing to be completed within thirty days of a filing of a petition by a single-repeat filer.”); *In re Wesselman*, 2008 Bankr. LEXIS 950 (Bankr. E.D. Ky. 2008) (denying a motion to extend the stay that was filed during the thirty day period because the hearing regarding the motion occurred thirty-one days after the petition date.); *In re Brewster*, 2008 Bankr. LEXIS 949 (Bankr. E.D. Ky. 2008) (denying a motion to extend the stay that was filed during the thirty day period because the hearing regarding the motion occurred thirty-nine days after the petition date and stating that the “plain meaning of the statute is that the court does not have authority to extend the stay when a hearing is not completed before the expiration of the 30-day period following a bankruptcy filing.”).

Because of this strict thirty day period for conducting a hearing regarding a motion to extend the stay, this Court (like many others) has established self-calendaring instructions which permit debtors to set hearings regarding this type of motion on shortened notice (as little as seven days). Under those procedures, debtors typically have between two to four available dates for setting hearings regarding this type of motion during the first thirty days of any bankruptcy case.

In this case, the debtor filed a prior bankruptcy case within the last twelve months (case no. 21-13740). After that case was dismissed, the debtor filed this second bankruptcy case on August 3, 2021. Thus, the automatic stay expired on September 2, 2021. Unfortunately on September 2, 2021, the debtor filed a motion to extend the stay and the debtor selected a hearing date for the motion of September 15, 2021. However, that day is forty-three days after the petition date.
